

Ref. No. 09/0034/18

Vodňany, 8. 1. 2018

## **Measure of the Dean No. 1/2018**

### **Personal protective equipment for the employees and students at the FFPW USB**

The employees of the FFPW USB will be given personal protective equipment (PPE). This will be based on a binding list of PPE, which is elaborated by the responsible person, taking into account the maximum usability periods for the individual PPE. PPE will be issued primarily in the main building of the FFPW USB in Vodňany. The PPE will be circulated in (in advance) requested sizes and against signature. Equipping of employees of ICS FFPW USB (Nové Hradky) and IAPW FFPW USB (České Budějovice) may be solved jointly by a person authorized by the director of the relevant part. This person guarantees against its signature the number of accepted/purchased PPE and their transfer to workers and students as required.

Students of bachelor and master studies will be given equipment based on (in advance) demanded sizes in the premises of the IAPW FFPW USB (České Budějovice).

The employees and students are obliged to use and handle PPE with care. In case a piece of PPE is destroyed before its specified lifetime, the employee may be given a replacement also in other deadlines/requirements specified in the dean's decision; provided that the head of the workplace or laboratory justifies this. The issuance of new protective work equipment may be rejected by a superior if the employee does not use the protective equipment during the working hours for a long time.

The employee is obliged to return the PPE once the employment terminates.

This decision does not affect the possibility of buying the PPE by individual workplaces/laboratories within their budget chapters for visitors or by specific requirements.

This decision cancels the Dean's decision No. 32/2015.

This decision comes into effect on the 1<sup>st</sup> February 2018.

Prof. Dipl.-Ing. Pavel Kozák, Ph.D.  
Dean of FFPW USB

Annexes: annex No. 1 - Binding list of PPE

## Mandatory list of protective and working equipment

Provided to employees and student of FFPW USB according to the announcement No..495/2001Sb.

Technician FFPW USB / Head of unit (GFC, EFCF)
