## **Dean's Measure No. 17/2021**

### **Testing of FFPW USB employees for the presence of SARS-CoV-2 virus**

By an extraordinary Measure of the Ministry of Health file no.: MZDR 9364 / 2021-1 / MIN / KAN of 5<sup>th</sup> March 2021, the University of South Bohemia in České Budějovice (hereinafter referred to as USB) was imposed an obligation to test the employees for the presence of the SARS-CoV-2 virus. Following the Rector's Measure R 465 (hereinafter referred to as RM), which regulates the conditions and method of testing at the USB and the Art. 3 par. 1 point d) of the RM, I issue this Dean's Measure regulating conditions of testing the employees at the FFPW USB.

**1) Testing in Vodňany will be performed by the company Zdraví-fit, Ltd. every Tuesday, in the following places and times:**

- 7:00 – 7:30 Genetic Fisheries Center (GFC)
- 7:30 – 8:00 Experimental Fish Culture and Facility (EFCF)
- 8:00 – 8:30 Main building of the FFPW USB, entrance hall, employees of the RIFCH.
- 8:30 – 9:00 Main building of the FFPW USB, entrance hall, students (mainly those who are accommodated there)
- 9:00 – 9:30 Main building of the FFPW USB, entrance hall, employees of the Dean's Office, Faculty Management Office, MEVPIS, etc.

**2) Testing in České Budějovice is governed by the conditions specified in RM R 465 (see the appendix)**

**3) Testing in Nové Hradky will be carried out by self-collection until the sampling is secured by a professional company. The entire organization of the testing is in charge of Bc. Soňa Vodková, the Assistant of the Director of ICS.**

- 4) If members of laboratories based at the EFCF and GFC are not present at the places for testing, they will have to be tested in the main building of the FFPW USB before entering the workplace.
- 5) In the case of an event with a larger number of participants from different workplaces or with the involvement of non-faculty staff (fishing out, experiments, trips, etc.), it is possible to perform extraordinary testing using approved self-tests, which are available at the faculty. The head of the laboratory or workplace, the Director or the Dean decides on the necessity of testing.
- 6) If the employee is not able to attend the mass testing, in exceptional cases, with the consent of the direct superior, who will report this fact to the Director of the part eventually the Dean, he / she can use the antigenic tests to determine the presence of SARS-CoV-2 virus available at the FFPW USB and test himself / herself. The test kit will be provided to such employees by direct superiors. The employee is obliged to confirm the result of the test according to this paragraph by the Declaration of honour, see the appendix, in which all prescribed data will be filled in. Records of such tests will be kept by the personnel officer of the FFPW USB Dipl.-Ing. Mirka Průšová.
- 7) The FFPW USB, resp. its secured external provider will keep a record of conducted tests of employees for the time, when the employer has the imposed obligation to perform mandatory testing of employees, and subsequently for the period necessary to check the processing of payments and claims that may arise during testing.
- 8) **For antigenic testing, the official testing places can also be used, namely e.g.:**
